+ Add to group

Gallery

Search by all the parameters of a trip like distance from starting point, altitude, difficulty, specific mountain, terrain and others (still to be determined).
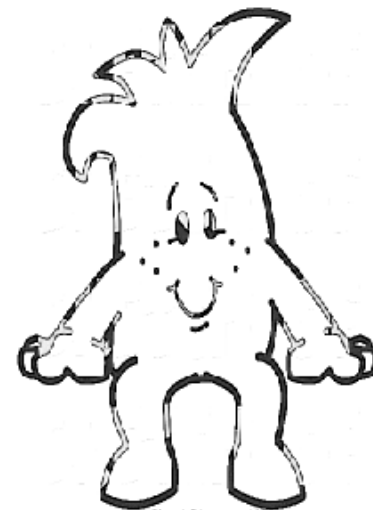

Description can be hidden/shown

"Add to group" should let you add this suggested trip to an existing or new user defined group of trips. these groups can then be used in the "Explore" main menu to find similar trips. Rating should be added?

Hello! I'm Ginnie and I'll help you find your next trip!

Wow! Hello, Ginnie!

Ginnie will ask quiestions to get the parameters for the search in the Search menu and then make proposals. If the proposal is not okay, Ginnie will try to refine the search.

Find similar   + Add new route

"Find similar" button searches for "similar" routes anf returns them in a the same container.

...hren

...derica Hut ❯ Dzhamdzhiev Ridge ❯ Vihren ❯ Kutelo ❯ Koncheto ❯ Yavorov Hut

"Add new route" should open a route composer to create a cutom route and add it to the current group. Seems like a nice idea, but is more likely to be postponed for the bright future :)
